The diagram shows a human figure from the back and front. Blue arrows point from various parts of the body to boxes and thought bubbles containing Greek letters with missing characters. The back view shows the spine, shoulder blades, and back muscles. The front view shows the chest, abdominal muscles, and leg muscles. The boxes and thought bubbles contain the following text: 'Κ --- --- --- --- --- Λ', 'Κ.....', 'Σ-----ς', 'Ω --- --- --- --- --- ς', 'Ρ - χ - α --- οι', 'Γ --- --- --- --- --- Θ', 'Α-----ς', 'Κ-----ς', and 'Π-----α. Π-τ-----σα'. There is also a thought bubble at the bottom right containing 'Γ --- --- --- --- --- Θ'.
